### Augsellaneans. Jan 31. Wise Counsel.-The Home Journal

ives the following extract from an Adress of the venerable Dr. Nort, Presilent of the Union College, New York:

"I have been young, but now am old; and in review of the past and prospect of the future, I declare unto you, beloved pupils, were it permitted me to live my life over again, I would, by the help of God, from the very outset, live better .--Yes, from the outset I would frown upon vice: I would favor virtue, and lend my influence to advance whatever would exalt and adorn human nature, alleviate human misery, and contribute to render the world I lived in, like the Heaven to which I aspire, the abode of innocence and felicity. Yes, though I were to exist no of which are cleared, with a sufficiency of longer than the ephernera that sport away their hour in the sunbeams of the morning; even during that brief period I would rather soar with the eagle, and leave the record of my flight and my fall among the stars, than creep the earth and hok the dust with the reptile, and having done with a KITCHEN attached, a Double Log so, bed my body with my memory in the BARN, with suitable sheds around it, and an gutter."

The life of Dr. Norr has been a daily illustration of the value of the sentiments house; also, a TENANT HOUSE, 13 story he so handsomely expresses. He is now a patriarch of seventy-six years, and has presided over Union College for forty five years, preserving in his old age that fire of genius and that kindliness of heart which have made him the idol of all who have ever enjoyed his instruction.

Having purchased the tickets and got comfortably seated in the cars, the gentleman thought he would step over and bid mine host Winton good-bye. Off he went, and in the mean time off went the cars, carrving with them the bride, who was no doubt in some consternation. The telegraph—the last resort in such cases was applied to, and the lady was implored to remain at Bagg's Hotel, at Utica, until the next train should arrive. The result is the Whige have elected three members of Congress, and the Democrats three, to wit: Richard J. Bowie, Alexander Evans, and John B. Kerr, Whigs; Wm. T. Ham-McLane, Democrats. PURE FRESH COD LIVER OIL.

HIS new and valuable Medicine, now used by the medical profession with such astonishing efficacy in the cure of

Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, General Debility, Complaints of the Kidneys, &c., &c., is prepared from the Liver of the COD FISH for medicinal use, expressly for our sales. (Extract from the London Medical Journal.)

C. J. B Williams, M. D. F. R. S., Profes-

Consulting Physician to the Hospital for consumption, &c , says : I have prescribed the Oil in above four hundred cases of tuberculous disease of the Lungs, in different stages, which of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases, from a temporary retardation of Tweeds. Ky. Jeans, Velvet Cords, Vest- the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved "In conclusion, I repeat that the pure fresh

oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been employed." As we have made arrangements to procure the

Cod Liver Oil, fresh from head quarters, it con now be had chemically pure by the single bottle, or in boxes of one dozen each. Its wonderful efficacy has induced numerous spurious imitations. As its success depends en-

ASSEMBLY, Daniel M. Smyser. COMMISSIONER. John Musselman, Jr.

AUDITOR. John Elder. DIRECTOR OF THE POOR,

Jesse D. Newman.

TREASURER,

John Fahnestock.

We are requested to state that the Rev. Mr. Jonsson will preach in the Presbyterian Church in Gettysburg, on next Sabbath, at 11 o'clock in the morning, and 64 in the evening.

The Rev. DAVID McConaugur, D. D.

has resigned the Presidency of Washington College.

### Fires.

On the night of the 26th ult, the dwellinghouse of Mr. HENRY CASSLER, in Franklin township, was destroyed by fire: and on the following night, the barn of Capt. Thomas McKnight, two miles above Cashtown, and one mile from Mr. Cassler's, was also destroyed by fire, together with all its contents. Both fires are supposed to have been the work of an incendiary.

We call the attention of the public to the advertisement of J. C. Baker & Co. Philadelphia, of the Cod River Oil. It appears from the representations made, to be an important matter, and worthy consideration by those afflicted with disease of the character mentioned.

ETIt is a subject of general remark all over the country that Turkey has shamed the Christians in the noble stand she has taken in refusing to deliver up Kossuth and the other Hungarians to their blood-thirsty enemies. See Foreign

### Maryland Election.

The election in Maryland for members of Congress and of the State Legislature, took place on Wednesday last-and was pretty warmly contested. The result is-the Whigs have elected three members of Congress, and the Democrats three, to wit: Richard J. Bowie, Alexander Evans, and John B. Kerr, Whigs: Wm. T. Hamilton, Edward W. Hammond, and Robert M. McLane, Democrats. The Senate of Maryland stands 14 Whigs to 7 Democrats. In the House of Delegates the Whig majority will be between 12 and 15. This insures a Whig U. S. Senator.

In Washington county, 2 whigs and 2 democrats are elected to the Legislature; and in Frederick 2 whigs and 3 democrats. In Carroll the whole Democratic Ticket is elected.

## Maryland Election.

Notwithstanding the unprecedented efforts o the Locofocos to secure a victory in Maryland, and thereby ensure the election of a Locofoco United States Senator, the Whigs have again gloriously triumphed over all opposition. They bave secured

- A WEIG SENATE,
- A WHIG HOUSE OF DELEGATES. A WHIG UNITED STATES SENATOR,
- And 3 Whig members of Congress. If Locofocos can enjoy a huzza over such a result, they must be truly thankful for small favors.

## Examine your Tickets.

Examine your tickets carefully, and vote early. See that you have the WHOLE WHIG COUNTY TICKET and NOTHING BUT THE TICKET. Be careful that no locofoco sticks into your hand a ticket with the name of Gamble on it. You voted a FULL Whig ticket last fall. Be careful to vote a FULLER one this fall.

## Whigs, Vote Early.

It is always the best way to VOTE EARLY. VOTE EARLY, and there will be one Whig vote safe. Vote EARLY, and you will have time to see that your friends and neighbors do not neglect to vote. VOTE EARLY, and you will have the day before you for the business of the election .-VOTE EARLY, and you will help to make a good impression in the beginning which will aid the work during the whole day.
